June 16 – 20, 2027 • México City, México

LASA 2027
INTERNATIONAL CONGRESS

What should I know to submit a proposal?

Deadline September 9, 2026, 17:00 hrs, ET.

INDIVIDUAL PROPOSAL

The presentations in LASA2027 are sessions. Therefore, it is better if you find colleagues who would like to present papers with the same topic as yours and build a panel. Otherwise the track chairs will decide how to group together the different individual proposals based on similar themes.

If you are interested in finding similar papers, check if others in your field are submitting individual proposals: [Paper Match](#). You can also upload your own information in order to be found by other colleagues. If you still want to submit as an individual, you will need:

1. Paper title (no longer than 25 words and with mixed case) such as: “Let’s be happy”.
2. Paper abstract (no longer than 250 words).
3. Your co-author’s last name (and first name) as it appears in LASA’s records. You can search for individuals here: [Member Directory](#). (If not sure, search partial last names such as “Hernan” for Hernández). Make sure the correct person is selected. Confirm their affiliation.

PANEL PROPOSAL

1. Panel title (no longer than 25 words with mixed case) such as: “Let’s be happy”.

4. At least one session organizer (maximum two), one chair (maximum two) and a discussant (not mandatory but highly recommended).

6. You should know the last name (and first name) of chairs, organizers and discussant as they appear in LASA’s records (follow the same instructions for the presenters).
